

# JOIN OUR TEAM

## Korn Ferry Graduate Trainee Program (Germany) (m/f/d)

We are looking for proactive and highly motivated talents with strong customer service ethics – just like **YOU**.

→ **YOU ARE** structured, organized and motivated to deliver high quality work.

→ **YOU LIKE** communicating and collaborating with international clients and colleagues.

→ **YOU WANT** to build your network and join a team which allows for learning and benefiting from senior colleagues.

### Then we at Korn Ferry have the right position for you

As of October 1, 2021, we are looking for trainees for our Korn Ferry Consulting Business that stand out for the variety of their backgrounds, experiences, qualifications and perspectives. During the trainee program, you will rotate between our solution areas (Leadership Development, Assessment & Succession, Total Rewards and Organizational Strategy) and work with clients from different industries, gaining versatile insights before you develop your expertise in one area.

Through the intensive exchange with our clients, you will deepen your understanding of organizations and build your skills and competencies immediately.

### SOUNDS GOOD?

Korn Ferry offers you a variety of interesting projects, flexible working hours, an international working environment and broad career opportunities.
